

## **Camp Genesis Camper Card Program – Instructions**

Thank you for participating in the Camp Genesis Camper Card Program! We hope that this experience brings the same joy to your hearts as you are bringing to the children who receive your cards. All of these children attended the most recent Camp Genesis at Chapel Rock.

The cards you send can be handmade (perhaps even by the children at your church!) or purchased, just be sure to include the **STAMPED UNSEALED** envelopes. We encourage church members to write at least one card per camper. The cards should mention the camper by their first name (a list of their names will be provided) and can include simple words of encouragement, assurance that they are in our prayers, or whatever words the Spirit leads you to write. Cards can be signed “Your friends at \_\_\_\_\_ Episcopal Church” and then the first name/s of the person who wrote the card or multiple people if desired.

The church is also encouraged to include the names of the campers in the Prayers of the People especially during their “month.” Once the cards have been written, please insert them into **STAMPED UNSEALED** envelopes that have the first name of the camper on the front (leaving room for the rest of their address to be added).

For privacy reasons, the addresses of these children are not shared. Instead, all of the cards prepared by church members are sent in bulk to the Diocesan Prison Ministry Coordinator, Rev. Kim Crecca. Rev. Kim will address the cards, include Chapel Rock as the return address, and mail them to the children.

Rev. Kim Crecca

Though you won't receive a reply from the children, you can be sure that your card made a difference in their lives!
