

A Suggestion from St. Andrew's Sedona

In the world of prison ministry, *Prison Fellowship's Angel Tree* is the benchmark. But for small congregations who may not have enough lead time or resources for that meaningful program, offering a *Camp Genesis Giving Tree* is a good second option. Mail gift cards to each camper for them to select their own Christmas gift or to buy groceries for a holiday dinner for their foster family.

Set up a tree in your parish hall or church foyer. Place a photo* of each camper on an ornament and let your parishioners 'adopt' a camper. Agree beforehand on a dollar amount for a gift card either to a major chain department or grocery store. It's important that each camper receive the same gift. Place an angel icon on the ornament for every camper who has received a donation. When all donations are collected, forward the gift cards inside a Christmas greeting card via the Sunshine Club directions.
