

Support Camp Genesis

Over 2.7 million children in the US have at least one parent who is incarcerated; 10% of these children reside in Arizona. Without some type of intervention, these children are 7x more likely to become incarcerated than those whose parent/s weren't in prison or jail.

Camp Genesis offers one piece of that intervention.

Camp Genesis provides a safe and fun faith-motivated environment for these kids, aged 8 to 17, who may have never attended a church. Many of these children live at or below the poverty level with relatives or in foster care. Through the generous support of people like you, this camp is provided at no cost to campers.

In addition to a full week of camp, your generosity also allows us to provide each camper with a backpack full of camping and hygiene items as well as a couple of toys and a Children's Bible.

At Camp Genesis, these kids get to experience the beautiful piney woods of Prescott including activities like hiking, zip-lining, kayaking, and learn more about the love Jesus has for them.

With your help, we can provide a much-needed outreach to the family members of those affected by incarceration.
